A low-angle, first-person perspective shot of a person paragliding. The person is wearing a black long-sleeved shirt, a black helmet, and sunglasses. They are smiling broadly, showing their teeth. Their hands are wearing black gloves and are holding onto the paragliding harness. The harness is black with green and red accents. The background is a clear blue sky and a vast, flat, yellowish-brown desert landscape. A portion of a colorful paraglider canopy is visible in the top right corner.

about our visitor's flight.

A person is paragliding over a vast, snowy mountain landscape. The paraglider, wearing a black suit, is suspended in the air, holding onto the lines of a large, orange and black canopy. The canopy is spread wide, and its lines are visible against the sky. Below the paraglider is a calm, dark blue lake that reflects the sky and the surrounding mountains. The mountains are covered in snow and have some rocky outcrops. The sky is a deep blue with some white clouds. The overall scene is serene and majestic.
